## About

- SHIPTECH Engineering and Associated SHIPLINK S.A., originally established in 1993, at Piraeus, Greece, are activated in Turn-Key Projects entailing Consulting, Engineering, Procurement - Ship Repair Management and Contracting (Installations & Retrofits), both in Greece and abroad.
- Head offices are in Piraeus, Greece, a key position for our business with Shipping companies, Suppliers, Subcontractors and Maritime experts.
- ***With the incorporation of ABOTIS (originally established by experience staff originating from IPPOKAMPOS) in our group of companies we have expanded our capabilities for the REFIT OF YACHTS, CRUISERS AND PASSENGER SHIPS, including interior (accommodation), coupled with our existing capability of our electro-mechanical , air-condition , piping, steel etc.***
